STATEMENT

Sir:

As specification amendment a substitute specification excluding the claims is filed herewith to replace the specification as filed. A marked-up version of the substitute specification showing all the changes relative to the specification as filed is included in the Amendment filed herewith.

I hereby declare that all amendments of my knowledge are made for correcting the clerical mistakes and making the specification in proper idiomatic English, no new matter is introduced into the substitute specification; and further that I acknowledge that any willful false statements and the

like so made herein are punishable by fine or imprisonment or both and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
